I encourage anyone who is interested in attending, please call our office at, 219-872-2258 and schedule an appointment to come and see the great things we have to offer. Some classes are filling up quickly for next school year, so don't delay. Your child's education is worth the call! We look forward to seeing you on the first day of school which is August 15th.

What is meditation?

Different than communal or vocal prayer, it is a sustained and concentrated effort to place our heart, mind and spirit in the presence of the Lord with attention to a word from Scripture, an image of God or Jesus Christ, or a particular spiritual idea or thought that can focus our distracted and scattered existence on the beautiful reality of the Divine. Lection Divina is a way to meditate with a narrative from the Scriptures.

While I have certainly not reached the stage of and most often feel in the Purgative state, nevertheless, transcendent moments of prayer, love, knowledge and unity with other people and the truth of creation which I have experienced, serve as grace-filled markers on the pilgrim way to the Kingdom of God.

I pray that one of the greatest fruits of our Synod process will be the steady cultivation of meditative prayer in the lives of more and more Catholics. Nurture the garden of your soul. Walk there with the Lord in the early light of dawn or the cool of the evening. Seek the Lord, knowing that he is already seeking you.
