CSA

2019 CSA drive is now underway. It is important to fill out your pledge card and return to the Church Office, **NOT THE DIOCESE**. The Diocese has changed the protocol, and has requested that the Parishes collect the pledge cards instead.

Our parish goal this year is \$37,416.00. So far, we have received \$6,500 toward our goal. Please send in your pledge today. Additional forms are in the Church Office if needed.

2020 Mass Book

The Mass book for 2020 will officially open this Monday, June 10th at 8:00am. Since we have fewer Masses than in past years, we request that you limit the number of weekend Masses to 3 per person intended per year. You may have an unlimited amount of weekly Masses. We are trying to be far and accommodating to everyone, so we humbly ask for your cooperation concerning this matter. As usual, Masses are \$10.00 each.

Monthly Memorial

We are currently accepting our Annual Monthly Memorial names. For \$75.00 a year you can have your loved ones name on the back of our bulletin and a Mass will be given once a month for them. This yearly Memorial runs from July through June. Please call the Parish Office if you have any questions at 219-879-9281.

May 50/50

Congratulations to William Allen Reed who is our May 50/50 winner. William won \$117.50. Don't forget to purchase your June chance. You could be our next lucky winner!

“...When we ponder the remarkable workings of divine grace in our own lives, feel the transforming power of Christ’s mercy in the face of our sins and cherish the remarkable gifts the Lord has given us, our hearts explode in praise and thanksgiving, just like Mary. The Eucharist, which means “thanksgiving” becomes our communal way of thanking and adoring the Lord for the gratuitous offer of salvation and eternal life, won for us by Jesus, in his death and resurrection. When we understand and feel the enormity of this gift, Mass is no longer a heavy burden or a dutiful obligation. Like Mary, we hasten to this sacred place, gather with the Christian community and chant our Magnificat of praise to the Lord. Whenever people tell me they do not get anything out of Mass, I remind them the Eucharist is not first about us or what we receive. We come to church to offer our sacrifice of love, thanksgiving and praise for grace received. The liturgy is the sacramental expression of God’s sacred and saving action in our lives; it reveals what God is doing first, and then we make our response to that loving initiative. Imagine going to a wedding or funeral and saying when it is over, “I did not find that meaningful. I got nothing out of it.” Guess what! It wasn’t about you! So it is with Mass.

When a society replaces contemplation with ceaseless activity, holy leisure with the “weekend,” times of silence, reflection and solitude with incessant noise and constant stimulation, there is no room or reason for worship and praise of God. At least in the West, the human project has detached itself from the moorings of faith and belief with the result being that most Westerners find sleeping in, watching sports or going to Starbucks on a Sunday morning to be much more compelling than worshipping the living God who created, redeems and saves us. When culture loses cult, we not only lose our connection with God but we cease even being able to comprehend the meaning and purpose of our own existence. Here in the Diocese of Gary, we are unfolding the “Keep Sunday Holy” project, an effort to help families and individuals reclaim the Lord’s Day as Sabbath - as a sacred time for worship, rest, leisure, family and friends, study and service. It may seem impractical or even impossible to refashion how we live Sunday, but if we fail to do so, we will lose not only the depths of our faith but also the richness of our own humanity. Deep down, none of us wants to live in a materialistic, transactional world with no room for the transcendent, poetry, beauty and holiness. Deep down, our souls long for God.” - Bishop Donald J. Hying as Published in the Northwest Indiana Catholic
